Class Slated In Shorthand

The Adult Education Division of the Centinela Valley Union High School District will offer a summer session class in the theory of Linton Shorthand to teachers of this area, according to R. K. Lloyd, director.

The class will be held July 2 to Aug. 8—Tuesday and Thursday evenings from 7 to 10 p.m. in building 3, room 3, of Hawthorne High School, 4859 W. El Segundo Blvd., Hawthorne. The course will be taught by the author, John D. Linton who states that those attending the 11 sessions will acquire the knowledge and skill necessary to teach the Linton System. There is no tuition.

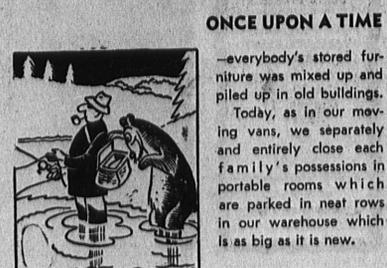

JEEP SALE DENIED BY SERVICES

The Armed Forces denied yesterday that any of the services are disposing of surplus or used jeeps in the Southern California area.

"As far as we know," an Army spokesman said, "there are no jeeps being sold as surplus anywhere in the United States. In the event of surplus sales proper notification will be given to the public, and money will not change hands until actual purchase of the vehicles takes place."

This announcement was brought about because of the numerous telephone calls which have been plaguing all of the Services lately with regard to erroneous lists being circulated on which it was alleged that for a slight fee, prospective purchasers names would be placed thereby insuring that a jeep would be reserved for them.

WHEN IT'S TIME TO MOVE

ONCE UPON A TIME

—everybody's stored furniture was mixed up and piled up in old buildings. Today, as in our moving vans, we separately and entirely close each family's possessions in portable rooms which are parked in neat rows in our warehouse which is as big as it is new.

We can't "bear" to hide it . . . our storage is a "reel" catch. So get on the line—and phone FA 8-7021 NOW.
